Accura HealthCare Celebrates Two Communities Honored with 2026 AHCA/NCAL Silver National Quality Award

National award signifies esteemed achievement in quality care

[West Des Moines, Iowa, July 17] – Accura HealthCare is proud to announce that two of its skilled nursing care communities have been recognized with the prestigious 2026 *Silver – Achievement in Quality Award* by the American Health Care Association and National Center for Assisted Living (AHCA/NCAL). The honored communities include:

Accura HealthCare of Milford | Iowa

Traditions Memory Care of Newton | Iowa

The Silver Award is the second of three progressive levels in the AHCA/NCAL National Quality Award Program, which recognizes long-term and post-acute care providers across the nation that demonstrate a commitment to improving the lives of residents through sustainable, quality-driven practices. “We are thrilled and deeply proud to see the dedicated excellence of our teams in Milford and Newton recognized at a national level,” said Megan Kleinsasser, Chief Operating Officer of Accura HealthCare. “This award is a reflection of the consistent commitment to quality, compassion, and leadership in the care delivery that each of these facilities bring to their communities every day.”

To achieve Silver-level status, applicants must demonstrate effective approaches that help improve performance and health care outcomes. This award reflects a commitment to continuous quality improvement aligned with the Baldrige Performance Excellence Framework, one of the most rigorous and comprehensive frameworks for organizational performance. These two Accura HealthCare communities now join an elite group of long-term care organizations nationwide that are not only meeting, but exceeding, standards of clinical and operational excellence. “These awards reflect the heart, dedication, and commitment our team members pour into everything they do,” said Lisa Toti, President of Accura HealthCare. “I am deeply grateful and immensely proud of how they bring Accura’s purpose, mission, vision, and values to life each day.”

Accura HealthCare extends heartfelt congratulations to the leadership, staff, and residents of Accura HealthCare of Milford and Traditions Memory Care of Newton for this remarkable achievement.
